Cardiovascular Disease

Psychosocial effects of enhanced
 external counterpulsation in the
 angina patient. Fricchione GL,
 Jaghab K, Lawson W, Hui JCK,
 Jandorf L, Zheng ZS, Cohn PF,
 Soroff H. September–October
 494–497

*Stress, Catecholamines, and Cardiovascular
 Disease*, by Goldstein DS
 (book review). July–August 412–
 413.

Case Reports

Competency and the frontal lobe: the
 impact of executive dysfunction on
 decisional capacity. Schindler BA,
 Ramchandani D, Matthews MK,
 Podell K. July–August 400–404

Continuous droperidol infusion for
 management of agitated delirium
 in an intensive care unit. Frye MA,
 Coudreaux MF, Hakeman S, Shah
 BG, Strouse TB, Skotzko CE. May–
 June 301–305

Countertransference issues in termination
 of life support in acute quadriplegia.
 Rodgers C, Field HL,
 Kunkel EJS. May–June 305–311

Cupid's arrow: an unusual presentation
 of factitious disorder. Dixon D,
 Abbey S. September–October 502–
 504

Delirium and Lyme disease. Caliendo
 MV, Kushon DJ, Helz JW. January–
 February 69–74

Factitious AIDS: a case report and literature
 review. Songer DA. July–
 August 406–411

Factitious hypoglycemia: an 11-year
 follow-up. Roy M, Roy A. January–
 February 64–65

H₂ blocker delirium. Picotte-
 Prillmayer D, DiMaggio JR, Baile
 WF. January–February 74–77

High-dose intravenous haloperidol
 for agitated delirium following
 lung transplantation. Levenson JL.
 January–February 66–68

Hypomania precipitated by psychostimulant
 use in depressed medically ill
 patients. Masand PS,
 Pickett P, Murray GB. March–
 April 145–147

- Self-esteem and depressive symptomatology in children with somatoform disorders. Kronenberger WG, Laite G, LaClave L. November-December 564-569

Difficult Patients

Patients whom doctors find difficult to help: an important and neglected problem (editorial). Mayou R, Sharpe M. July–August 323–325

Disability

Families, Illness, and Disability: An Integrative Treatment Model, by Rolland JS (book review). May–June 310–311

Distress

Globus pharyngis, personality, and psychological distress in the general population. Deary IJ, Wilson JA, Kelly SW. November–December 570–577

Donor Organs

The future of organ transplant psychiatry. Freeman AM, Westphal JR, Davis LL, Libb JW. September–October 429–437

Droperidol

Continuous droperidol infusion for management of agitated delirium in an intensive care unit (case report). Frye MA, Coudreaut MF, Hakeman S, Shah BG, Strouse TB, Skotzko CE. May–June 301–305

DSM-IV

Bridging the gap between psychiatry and primary care: the DSM-IV-PC. Pincus HA, Vettorello NE, McQueen LE, First M, Wise TN, Zarin D, Davis WW. July–August 328–335

E**Editorials**

Academic consultation-liaison services: the problems and the promise. Saravay SM. March–April 91–94

Categories and dimensions in primary care psychiatry. Wise TN. July–August 326–327

Clinical guidelines: now or never. Gruman J, Wise TN. November–December 519–521

Patients whom doctors find difficult to help: an important and neglected problem. Mayou R, Sharpe M. July–August 323–325

Elderly

Religious coping and cognitive symptoms of depression in elderly medical patients. Koenig HG, Cohen HJ, Blazer DG, Kudler HS, Krishnan KRR, Sibert TE. July–August 369–375

Electrocardiograms

Clozapine and new-onset ECG abnormalities (letter). Aronowitz JS, Umbricht DSG, Safferman AZ. January–February 82–83.

Enhanced External**Counterpulsation**

Psychosocial effects of enhanced external counterpulsation in the angina patient. Fricchione GL, Jaghab K, Lawson W, Hui JCK, Jandorf L, Zheng ZS, Cohn PF, Soroff H. September–October 494–497

Environmental Somatization Syndrome

The environmental somatization syndrome (review). Göthe CJ, Molin C, Nilsson GG. January–February 1–11

Eosinophilia-Myalgia Syndrome

Psychiatric aspects of the eosinophilia-myalgia syndrome. Epstein SA, Krahn L, Clauw DJ, Gomes AP, Weigert S, Goldberg RL. January–February 22–25

Epidemics

The environmental somatization syndrome (review). Göthe CJ, Molin C, Nilsson GG. January–February 1–11

Epilepsy

Pseudoseizures after epilepsy surgery. Krahn LE, Rummans TA, Sharbrough FW, Jowsey SG, Cascino GD. September–October 487–493

Ethics

HIV public policy and psychiatry: an examination of ethical issues and professional guidelines (review). Daniolos PT, Holmes VF. January–February 12–21

Principles of Biomedical Ethics, 4th Edition, by Beauchamp TL, Childress JF (book review). May–June 312–313.

Euthanasia

Patient requests for euthanasia and assisted suicide in terminal illness: the role of the psychiatrist (review). Block SD, Billings JA. September–October 445–457

F**Factitious Disorders**

Cupid's arrow: an unusual presentation of factitious disorder (case report). Dixon D, Abbey S. September–October 502–504
Factitious AIDS: a case report and literature review (case report). Songer DA. July–August 406–411

Factitious disorders and fraud (letter). Feldman MD. September–October 509–510

Factitious hypoglycemia: an 11-year follow-up (case report). Roy M, Roy A. January–February 64–65

Families

Families, Illness, and Disability: An Integrative Treatment Model, by Rolland JS (book review). May–June 310–311

Felbamate

Secondary mania associated with the use of felbamate (case report). Hill RR, Stagno SJ, Tesar GE. July–August 404–406

Fluoxetine

Obsessive-compulsive disorder in HIV disease: response to fluoxetine (case report). McDaniel JS, Johnson KM. March–April 147–150

Fraud

Factitious disorders and fraud (letter). Feldman MD. September–October 509–510

Frontal Lobe

Competency and the frontal lobe: the impact of executive dysfunction on decisional capacity (case report). Schindler BA, Ramchandani D, Matthews MK, Podell K. July–August 400–404

Funding

Academic consultation-liaison services: the problems and the promise (editorial). Saravay SM. March–April 91–94

Composition and funding: consultation-liaison psychiatry services. Strain JJ, Easton M, Fulop G. March–April 113–121

Recent changes in consultation-liaison psychiatry: a blueprint for the future. Cavanaugh S, Milne J. March–April 95–102

G**Global Assessment of Functioning Scale**

Global assessment of functioning: a modified scale. Hall RCW. May–June 267–275

The modified global assessment of functioning scale: addendum (letter). Hall RCW. July–August 416–417

Globus Pharyngis

Globus pharyngis, personality, and psychological distress in the general population. Deary IJ, Wilson JA, Kelly SW. November–December 570–577

H**Haloperidol**

The association between intravenous haloperidol and torsades de pointes: three cases and a literature review. Hunt N, Stern TA. November–December 541–549

Index

High-dose intravenous haloperidol for agitated delirium following lung transplantation (case report). Levenson JL. January–February 66–68

Health Care Utilization

Health care utilization of somatizing patients in a pulmonary subspecialty clinic. Labott SM, Preisman RC, Popovich J Jr., Iannuzzi MC. March–April 122–128

Histamine Blockers

H₂ blocker delirium (case report). Picotte-Prillmayer D, DiMaggio JR, Baile WF. January–February 74–77

Human Immunodeficiency Virus (HIV). See Acquired Immuno-deficiency Syndrome

Hypoglycemia

Factitious hypoglycemia: an 11-year follow-up (case report). Roy M, Roy A. January–February 64–65

Hypomania

Hypomania precipitated by psychostimulant use in depressed medically ill patients (case report). Masand PS, Pickett P, Murray GB. March–April 145–147

I

Infants. See Children and Adolescents

Intensive Care Unit

Continuous droperidol infusion for management of agitated delirium in an intensive care unit (case report). Frye MA, Coudreaux MF, Hakeman S, Shah BG, Strouse TB, Skotzko CE. May–June 301–305

Interferon Alpha

Successful treatment of interferon- α -induced mood disorder with nortriptyline (letter). Valentine AD, Meyers CA. (Reply by Goldman LS). July–August 418–419

L

Letters

Clozapine and new-onset ECG abnormalities. Aronowitz JS, Umbricht DSG, Safferman AZ. January–February 82–83.

Factitious disorders and fraud. Feldman MD. September–October 509–510

Late-onset psychosis with somatic delusions. Flint AJ, Rifat SL, Eastwood MR. (Reply by Rockwell W, Krull AJ, Dimsdale J, Jeste DV). March–April 158–159

Mania secondary to lisinopril therapy. Skop BP, Masterson BJ. September–October 508–509

The modified global assessment of

functioning scale: addendum. Hall RCW. July–August 416–417

Neuropathogenesis of delirium.

Ovsiew F, Manos PJ. (Reply by Trzepacz PT). March–April 156–157

Parasomnias as neuropsychiatric complications of electrical injury. Ghaemi SN, Irizarry MC. July–August 416

Psychiatric manifestations of tuberculous sclerosis. Harvey KV, Mahr G, Balon R. May–June 314–315

Serotonin syndrome produced by paroxetine and low-dose trazodone. Reeves RR, Bullen JA. March–April 159–160

Sertraline with methylphenidate in an ICU patient. McGlohn SE, Bostwick JM. November–December 584–585

Sodium nitroprusside-induced delirium. Harmon C, Wohlreich MW. January–February 83–85

Successful treatment of comorbid panic disorder and sleep apnea with continuous positive airway pressure. Enns MW, Stein M. November–December 585–586

Successful treatment of interferon- α -induced mood disorder with nortriptyline. Valentine AD, Meyers CA. (Reply by Goldman LS). July–August 418–419

Trichotillomania associated with HIV infection and response to sertraline. Rahman MA. July–August 417–418.

Lexicon

Lexicon of Psychiatry, Neurology and the Neurosciences, by Ayd FJ Jr (book review). September–October 506–507

Life Support

Countertransference issues in termination of life support in acute quadriplegia (case report). Rodgers C, Field HL, Kunkel EJS. May–June 305–311

Lisinopril

Mania secondary to lisinopril therapy (letter). Skop BP, Masterson BJ. September–October 508–509

L-Tryptophan

Psychiatric aspects of the eosinophilia-myalgia syndrome. Epstein SA, Krahn L, Clauw DJ, Gomes AP, Weigert S, Goldberg RL. January–February 22–25

Lyme Borreliosis

Late-stage neuropsychiatric Lyme borreliosis: differential diagnosis and treatment (case report). Fallon BA, Schwartzberg M, Bransfield

R, Zimmerman B, Scotti A, Weber CA, Liebowitz MR. May–June 295–300

Lyme Disease

Delirium and Lyme disease (case report). Caliendo MV, Kushon DJ, Helz JW. January–February 69–74

M

Mania

Mania secondary to lisinopril therapy (letter). Skop BP, Masterson BJ. September–October 508–509

Secondary mania associated with the use of felbamate (case report). Hill RR, Stagno SJ, Tesar GE. July–August 404–406

Massachusetts General Hospital

The Massachusetts General Hospital annotated bibliography: for residents training in consultation-liaison psychiatry. Cremens MC, Calabrese LV, Shuster LJ, Stern TA. May–June 217–235

Medical Consumption

Effects of psychiatric consultation on medical consumption in medical outpatients with abdominal pain. Koopmans GT, Meeuwesen L, Huyse FJ, Meiland FJM, Donker AJM. July–August 387–399

Medical-Psychiatric Practice

Medical-Psychiatric Practice, Volume 3, edited by Stoudemire A, Fogel BS (book review). July–August 414–415.

The pediatric medical-psychiatric unit in a psychiatric hospital. Campo JV, Raney D. September–October 438–444

Methylphenidate

Sertraline with methylphenidate in an ICU patient (letter). McGlohn SE, Bostwick JM. November–December 584–585

Mind-Body Relationship

The Body Speaks: Therapeutic Dialogues for Mind-Body Problems, by Griffith JL, Griffith ME (book review). January–February 78–79

Descartes' Error: Emotion, Reason and the Human Brain, by Damasio AR (book review). March–April 151–153

Mood Disorders

The clinical and financial burdens of mood disorders: cost and outcome (supplement). Hall RCW, Wise MG. March–April S11–S18

Multifetal Pregnancy

Multifetal pregnancy reduction: a review of an evolving technology and its psychosocial implications

(review). Ormont MA, Shapiro PA. November–December 522–530

Munchausen Syndrome

Munchausen syndrome presenting as recurrent multiple trauma (case report). Hedges BE, Dimsdale JE, Hoyt DB. January–February 60–63

N

Nortriptyline

Successful treatment of interferon- α -induced mood disorder with nortriptyline (letter). Valentine AD, Meyers CA. (Reply by Goldman LS). July–August 418–419

Nosology

Dementia: Presentations, Differential Diagnosis and Nosology, edited by Olga V, Emery B, Oxman TE (book review). January–February 79–80

Nursing Homes

Outcomes of cataract surgery in nursing home residents. Marx MS, Werner P, Billig N, Watson VJ, Cohen-Mansfield J, Feldman R. May–June 254–261

O

Obsessive-Compulsive Disorder

Obsessive-compulsive disorder in HIV disease: response to fluoxetine (case report). McDaniel JS, Johnson KM. March–April 147–150

Organ Donation

The future of organ transplant psychiatry. Freeman AM, Westphal JR, Davis LL, Libb WW. September–October 429–437

Organ donation: psychiatric, social, and ethical considerations. Riethe AM, Mahler E. July–August 336–343

P

Pain, Abdominal

Effects of psychiatric consultation on medical consumption in medical outpatients with abdominal pain. Koopmans GT, Meeuwesen L, Huysse FJ, Meiland FJM, Donker AJM. July–August 387–399

Pain, Pelvic

Psychiatric diagnoses and sexual victimization in women with chronic pelvic pain. Walker EA, Katon WJ, Hansom J, Harrop-Griffiths J, Holm L, Jones ML, Hickok LR, Russo J. November–December 531–540

Pain, Perception

Pain perception and serum beta-endorphin in trauma patients.

Bernstein L, Garzone PD, Rudy T, Kramer B, Stiff D, Peitzman A. May–June 276–284

Palliative Medicine

Oxford Textbook of Palliative Medicine, by Doyle D, Hanks GWC, MacDonald N (book review). September–October 505

Palsy

Psychiatric symptoms in progressive supranuclear palsy. Menza MA, Cocchiola J, Golbe LI. November–December 550–554

Panic Disorder

Increasing identification and referral of panic disorder over the past decade. Gerdes T, Yates WR, Clancy G. September–October 480–486

Panic disorder and complex partial seizures: a truly complex relationship (case report). Handal NM, Masand P, Weilburg JB. September–October 498–502

Successful treatment of comorbid panic disorder and sleep apnea with continuous positive airway pressure (letter). Enns MW, Stein M. November–December 585–586

Parasitosis

Risperidone and the treatment of delusions of parasitosis in an elderly patient (case report). Gallucci G, Beard G. November–December 578–580

Parasomnias

Parasomnias as neuropsychiatric complications of electrical injury (letter). Ghaemi SN, Irizarry MC. July–August 416

Parkinson's Disease

Sleep in parkinson's disease: the role of depression and anxiety. Menza MA, Rosen RC. May–June 262–266

Paroxetine

Serotonin syndrome produced by paroxetine and low-dose trazodone (letter). Reeves RR, Bullen JA. March–April 159–160

Patient Assessment

Further evidence for a broader concept of somatization disorder using the somatic symptom index. Hiller W, Rief W, Fichter MM. May–June 285–294.

Global assessment of functioning: a modified scale. Hall RCW. May–June 267–275; *See also* July–August 416–417 (addendum)

Psychosocial assessment of organ transplant candidates: current status of methodological and philosophical issues. Olbrisch ME, Levenson JL. May–June 236–243

Rating scales for the psychosocial evaluation of organ transplant candidates: comparison of the PACT and TERS with bone marrow transplant patients. Presberg BA, Levenson JL, Olbrisch ME, Best AM. September–October 458–461

The Suicidal Patient: Principles of Assessment, Treatment, and Case Management, by Chiles JA, Strosahl KD (book review). September–October 505–506

Patient Management

The Suicidal Patient: Principles of Assessment, Treatment, and Case Management, by Chiles JA, Strosahl KD (book review). September–October 505–506

Pediatrics

The pediatric medical-psychiatric unit in a psychiatric hospital. Campo JV, Raney D. September–October 438–444

Perspectives

Depression in the medically ill: critical issues in diagnostic assessment. Cavanaugh SA. January–February 48–59

Physical Fitness

Physical fitness and perceived stress: relationships with coronary artery disease risk factors. Labbate LA, Fava M, Oleshansky M, Zoltec J, Littman A, Harig P. November–December 555–560

Physician-Assisted Suicide

Patient requests for euthanasia and assisted suicide in terminal illness: the role of the psychiatrist (review). Block SD, Billings JA. September–October 445–457

Pregnancy

Multifetal pregnancy reduction: a review of an evolving technology and its psychosocial implications (review). Ormont MA, Shapiro PA. November–December 522–530

Premenstrual Syndrome

The relationship between mood, somatization, and alexithymia in premenstrual syndrome. Kuczmierczyk AR, Labrum AH, Johnson CC. January–February 26–32

Prevalence, Panic Disorder

Increasing identification and referral of panic disorder over the past decade. Gerdes T, Yates WR, Clancy G. September–October 480–486

Primary Care

Bridging the gap between psychiatry and primary care: the DSM-IV-PC. Pincus HA, Vettorello NE, McQueen LE, First M, Wise TN, Zarin D, Davis WW. July–August 328–335

Index

Categories and dimensions in primary care psychiatry (editorial). Wise TN. July–August 326–327

Major depression in primary care practice: clinical characteristics and treatment implications. Schulberg HC, Madonia MJ, Block MR, Coulehan JL, Scott CP, Rodriguez E, Black A. March–April 129–137

Pseudoseizures

Pseudoseizures after epilepsy surgery. Krahn LE, Rummans TA, Sharbrough FW, Jowsey SG, Cascino GD. September–October 487–493

Psychiatric Disease

Psychiatric disease and cytomegalovirus viremia in renal transplant patients. Hibberd PL, Surman OS, Bass M, Tolkoff-Rubin NE, Cosimi AB, Schooley RT, Doran M, Delvecchio A, Rosal M, Rubin R. November–December 561–563

Psychopharmacology

Expanding psychopharmacologic treatment options for the depressed medical patient (supplement). Stoudemire A. March–April S19–S26
